Rabies vaccination

The dogs being brought to the show event must have proof to show they have been vaccinated against rabies at least three weeks before the start of the show (bring vaccination documents/EU pet pass).

The rabies vaccinations is valid for 12 months from the day of the vaccination. If a longer period is to be made valid, then this extended period must be noted officially in the vaccination documents or in the pet pass in the field marked „valid until“.

If a dog receives a re-vaccination against rabies within the validity period, then the so-called 3 week deadline no longer applies.

For primary vaccinations, the dog must have been at least three months old at the time of the vaccination and must have taken place at least 21 days before the event.

I hereby register the dog(s) named above for the exhibition.

The dogs being brought to an event (show) must have proof to show they have been vaccinated against rabies at least three weeks before the start of the show (bring vaccination documents/EU pet pass).

I herewith acknowledge the FCI/VDH show regulations and register my dog.

The registration of the dog becomes binding with the sending of the acknowledgement of receipt by the organizer.
